Brady MacPherson, 41. Brady was born on Dec. 2, 1981, in Salt Lake City, Utah, the

childhood in Sandy, Utah. He graduated with his Eagle Scout award and with Honors from Jordan High School, and went on to pursue a Bachelors in Science and Aviation and a Masters in Commercial Aviation with dreams of becoming a pilot. He has a tender spot in his heart for Kiev, Ukraine where he served a faithful mission for the Church of Jesus Christ of Latter-day Saints.

A blind date afterwards changed the course of his life, when he met his eternal sweetheart, Janelle Begay. His charismatic smile, goofy sense of humor, and deep love won her heart, and they were sealed in the St. George temple May 7, 2005. Janelle has been the anchor, the stalwart strength, and the unfailing love of his life. The joy and treasure of his life were his two living sons, Samuel 14, and Nathan 8. He was their greatest fan, best friend, and will no doubt continue to watch over and cheer them on them from the other side.

Brady had an entrepreneurial spirit, a love for ham radios and technology, a curiosity for life, and knack for knowing how to build and fix things. Brady was always mindful of the one, he made you feel seen, known, appreciated, and that all your dreams were possible. Despite his own physical challenges, he had a heart full of love, and shared that love freely with all through words and deeds.

Brady is preceded in death by his brother Ryan and his father Brad. He is survived by his two children Samual Brady and Nathan Ryan, his dear wife Janelle, his two brothers James E. (Jenessa) and Christopher Lee (Leah), sister-in-law Ashley (Leo) his Mother Marilee and stepfather Andy Christensen.

Brady made his final flight to heaven on March 22, 2023. His sure testimony of our Savior Jesus Christ will forever echo in our ears as we strive to be worthy to meet him again. We love and miss you, but know you are in a better place where you can continue your mission, surrounded by Angels, our Savior, and Heavenly Father. You

Didn't know Brady but knew his mother and step-dad. Great people. So sorry fir your loss. We never know what life has in store for us. The plan hid had for us is that we can all be together again.

We were so saddened to hear of Brady's passing. We are neighbors of his mother, Marilee and stepfather, Andy Christensen. We cannot imagine the grief you are experiencing. We pray that you will be comforted at this difficult time knowing the Father's plan of happiness. We know Brady was a wonderful son, husband, father, uncle and brother. The MacPherson Family is strong and brave and have weathered many trials in this life, namely losing two brothers and a father much too early in their lives. Please know of our love and concern for all of his family members. We send you our love, prayers and most sincere condolences on the loss of the wonderful Brady MacPherson, who lives on and will be with you all again in the hereafter.

Jenelle and Family,
 My heart is so heavy and saddened by the news of passing of my dear friend. I met Brady and Jenelle when I was at Dixie State College. He was fun, loving, and caring person. He was a wonderful husband and father. We used talk about his mission in Ukraine and people and food, and how their ketchup tasted so much better than our ketchup. Rest in peace my friend.

Мой дорогой друг. ты был прекрасным отцом, мужём и другом. ты сейчас в лучшем месте. Спасибо за дружбу.
 Your family will be in my thoughts and prayers. Sending a big hug.

Service Rendered! The Wrights were very grateful for the help thanks to Caleb Crandall, Al Burningham, Brady-Samuel-Nathan McPherson, and a pickleball friend Paul Barwick. Great Christian service. Good job

I am honored to call Brady one of my dearest friends. I initially got to know him just as a new neighbor down the street 4-5 years ago. It wasn't until a couple of years ago in a Church leadership role, I got to know Brady much better. I came to know what a technically capable man he was, but actually didn't know half his accomplishments listed in his obit. What I did know is his love of his beautiful family, and his strong

We are saddened by the news of the passing of our dear friend and neighbor Brady. He was stalwart of a Christian that there ever was. Always a smile on his face and so willing to help in any situation. . A wonderful father and husband. We will really miss you Brady.

whenever he left a conversation with me he always asked if he could help me with anything. And even with all his infirmities, he meant it! Just a few months ago, when another neighbor was injured and physically unable, Brady was one of the first with his boys to answer the call to help clear the neighbor's leaves after a a big wind storm. For those of us who were blessed to know him well, Brady was such an example. Rest in Peace my Friend.

Brady was a sweet, loving man who never missed an opportunity to tell family and friends how much he loved them and was so happy we were in his life. He was a devoted and loving husband and father, as well as a true and passionate friend. We will miss his funny and goofy texts as well as his smiling face. He will be sorely missed, never forgotten and will hold a special place in our hearts. Rest in peace dear friend until we meet again.

Dear sweet Chris and James, my heart is so heavy and learning of your loss. God, the father is faithful, and in His divine plan there is a purpose reason for this loss. Please let me know if there's anything at all I can do for you and your families. I have lost three siblings and both parents myself, and understand the grief you must be feeling.
